Parking during drop off and pick up times

We kindly ask for your support in keeping our children safe during drop-off and pick-up times, especially in bad weather. We ask that you park a little further away from the school and avoid blocking residents' driveways and pathways. We also ask everyone to speak to our neighbours in a respectful manner, remembering that they have the right to access their homes without difficulty.

Your cooperation helps us maintain a positive relationship within our community and ensures a safer environment for all our children.

Thank you very much for your understanding and support.
